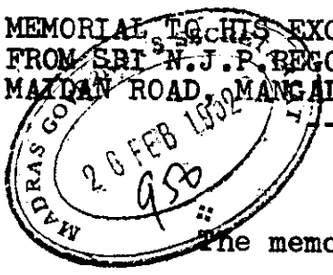
MEMORIAL TO HIS EXCELLENCY THE GOVERNOR OF MADRAS
FROM SRI N.J.P.REGO, C/O THE CENTRAL AUTO STORES,
MAIDAN ROAD, MANGALORE, SOUTH KANARA DISTRICT.



The memorialist begs to place before His Excellency the following grievances and prays that they may be sympathetically considered.

1. That after being selected as a Lower Division Clerk by the Madras Public Service Commission as a result of the competetive examination held in 1939 he was allotted to the Revenue Department, South Kanara District and joined his first appointment on 27--2--1940. He worked for some time in the offices of the Revenue Department and was later transferred to the Commercial Tax Department and he completed his probation satisfactorily on 12-7-1942.

2. That when the IInd World War was in progress and there was a great need of educated men in the forces he volunteered for war service and was permitted to join the Army on deputation in July 1943. At the time of joining the Army he had to his credit 3 years service in the Revenue and Commercia Tax Departments. He served for nearly 4 years in the Indian Army Ordnance Corps as a V.C.O. (Jem/M.A.S.K.) in various Stations in India and his Army service has been judged as very satisfactory by his superior officers. During the war servic he passed with distinction 3 specialist courses and he has undergone pre-release training in Banking, Book-Keeping, Auditing, etc.

3. That on release from the Army in June 1947 he rejoined his civil parent department - the Commercial Tax Department, South Kanara District. On rejoining, the memorialist had expected that due weight would be given to his war service and to his qualifications, and that he would get due promotions in the Department. But to his great disappoint ment he was reposted as a Lower Division Clerk - a post he had occupied at the beginning of his Government service 7 years

before. In the Army he was drawing Rs.155-0-0 per month as salary exclusive of rations etc., but now he received a pay of Rs.51-0-0 only. This was a matter of great discouragement to the memorialist.

4. At this time there arose in the memorialist a great desire to undergo training for religious life in the Society of Jesus (S.J.), and with the intention of taking up the necessary studies, he applied for a year's study leave and left for Calicut to join the Jesuit Novitiate there. The training period is for 2 years and during this time the trainees are kept away from outside intercourse. When he had hardly completed a year and 10 months he fell ill and had to give up further training and return home. Since then the memorialist was under treatment for a long time and he regained his health only a year later.

5. When he was in a position to rejoin duty he found that his name had been deleted from the Establishment List of the Commercial Tax Department a few months before and hence he could not rejoin duty. The memorialist had suffered a great deal due to sickness and this also involved him in great financial loss. And now he found that he had no means of livelihood. So he submitted a Petition to the Commissioner of Commercial Taxes in May 1951 praying that he may be reinstated in the Commercial Tax Department He was grieved to receive orders that his Petition had been rejected. He appealed against this order to the Government and the Government too rejected his appeal in its Memorandum No. 66156 N/51-3 dated 21-12-1951 (copy enclosed)

6. The memorialist is now making a final attempt to obtain justice, in submitting a memorial to His Excellency. He would not have taken this step if he was not convinced that he had a real grievance to be considered by those in authority. He now prays that his case may be sympathetically

considered and that the period of his absence from duty may be taken as extraordinary leave and he may be reinstated in the Commercial Tax Department, South Kanara District.

7. The memorialist is a graduate of the Madras University and an ex-service man who now finds himself stranded in life due to his misfortune. He is sure he has a creditable past record - which may please be verified - both under the Government of Madras and in the Army. The reinstatement of the memorialist will not be against any statutory regulations and will not involve the Government in extra expenditure. It will only be giving him justice which is his due.

The memorialist hopes that His Excellency will be pleased to pass favourable orders. For which act of generosity he will ever remain grateful.

Memorialist begs to remain,
His Excellency's Most Obedient Servant.
